Sandbar Beach (SBC) Rules

1. **No Alcohol allowed on the beach**
2. **No Smoking on the beach**
3. **No Glass Bottles or containers on the beach** - a cut from broken glass can ruin your day, especially a child's!
4. **Dogs are prohibited from being on the Sandbar Beach at all times.**
5. **Please use proper swimming diapers for babies and young children.** One dirty diaper in the water can close the beach. The water is tested sometimes twice a day by the PWD.
6. A **"Carry In/Carry Out, No Trace" policy is in place.** Please keep the Sandbar pristine and clean.
7. **Do not feed the waterfowl**-they are extremely harmful to water quality
8. Staying overnight on the beach is prohibited (including tenting). You can however stay on your boat.
9. Our lease with Portland Water District & the Town of Standish requires all boats, including those registered with the Town of Standish, be equipped with portable toilets.
10. Campfires are not allowed except in the designated fire pits. **Please do not move them.** Do not throw trash or glass in the Fire Pits.
11. There is a limit of **75** boats on the Sandbar Beach at the same time. The SBC is responsible for administering this limit. If you arrive at the Sandbar after **75** boats have already arrived, you will be asked to leave and return later after at least one (1) boat has departed.
12. Don't tie up your boat to shrubs or tree roots—please use your anchors. It is very difficult to walk along the beach and injury can result.
13. **Headway speed (no wake) is required within 200 feet of the shoreline.** Slow down as you approach the Sandbar. This is Maine Boating Law and a common courtesy to your fellow boaters, swimmers and others enjoying the water
14. Respect the property of our neighbors, especially on the East End of the Sandbar; their property is posted. Also, the property towards the back is private, so do not walk over.
15. **NO FIREWORKS** allowed on the beach at any time.
16. Members are responsible for guests that you bring to the beach. Please make sure they know the rules. You can lose your membership.

Enforcement:

Violations of any of the above rules may result in your eviction by the Portland Water District (PWD) from Sandbar Beach and any other PWD properties, along with the suspension of your membership from SBC.
